...Luca?

Luca  
....!

No.

**Luca!!**

I cannot lose  
you again.

Your  
brother  
did this?

I mean the jailbreak.

What are you saying?

Luca is a kind scaredy-cat. He couldn't have done it!

But he's the only one missing here.

That's true.

NO!

You're wrong.

I saw what happened.

Darknight's  
fall and rise  
is simply  
complex.

So, I wouldn't help but go  
outside to take a look...

Darknight's  
fall and rise  
is simply  
complex.

Really. Hold on,  
so that's the  
reason you were  
out here this  
late?

What  
else could  
it be...

Suddenly...

I heard a  
loud noise

And then,

I saw...

A large figure  
leaping over me.

It was certainly  
not a child.

It looked like...

A beast...  
A black  
panther?

...It's  
him.

It's the  
monster that's  
after us...

We  
have to  
keep moving  
every week  
because of  
him.

He  
slaughtered  
our  
village,

and  
turned  
us into  
mutants

This is all  
because of  
the curse of  
the 'black  
monster'!

We're  
the only  
survivors.

The  
monster  
must've  
taken Luca  
to complete  
the  
unfinished  
business!

*Black  
monster...?*

Could it be  
*Pardus*?

...  
? *Pardus*?  
Who's  
that?

*Pardus.*

It's Latin for panthers. The word is used to refer to the ancient mutant vampires who could transform into panther-like beasts.

They spent most of their time sleeping.

However, when they woke up and went for a hunt, they could feed on an entire village. That was the extent of their infamous appetite.

I heard  
they were  
wiped out  
because of  
that...

This  
might be  
just a  
mutant  
whose  
power is  
similar to  
mine.

That's  
not  
important!

We must  
find Luca  
fast!

Take  
me to  
him.

GRAB

Please...

I beg  
you!

GL OW

I. Need. You.

...He fell for it!!!

Good-  
ness.

Very well, then.

It's been a while since I was in this form.

...A bear?!!

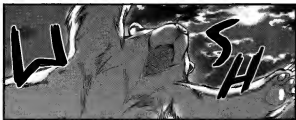

Now, get on my back.

I can  
take more  
selfies in  
peace! ♡

I'm  
gonna  
fall off!

Bears are agile animals.

...Luca.

Lucas...

He ~~can't~~  
back.

He went into the forest alone to find  
my missing marble,

and has been  
missing for  
seven days.

HUG

You silly boy!  
Why did you  
do that? I  
don't need  
that stupid  
marble!

My brother's  
disappearance

Sog  
I'm so  
glad you're  
safe.

was only  
the prelude to  
our greatest  
misfortune.

the day

where the  
'black monster'  
appeared...

That is

It is the same  
expanse of darkness

that swallowed him that day...

-lu

Lulu!

...Are  
you okay?

When I opened my eyes again,  
the world I once knew  
was no more.

All the villagers were  
killed by the monster.

We were the sole survivors.  
Soon, our bodies began  
to change.

We were cursed  
by the monster.

...Never again  
will I lose  
anything dear  
to me again.

I will protect Luca!

this makes  
me feel  
embarrassed... *On my D*

AAAW

*It's like I'm an  
obsessed dog*

And pissed!...

...Somehow,

There's a  
commo-  
tion  
outside.

...He's  
here.

Somewhere  
quiet would  
be good.

Why don't  
you drop  
the act?

Child.

whatever..services
